REQUEST FOR PUBLICATION OF CORRECT APPLICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants respectfully request that the correct application be used when the instant application issues as a patent, as the pre-grant publication used the wrong specification and figures. The instant application was filed unexecuted, and when the declaration was submitted, an IDS was also filed that included a copy of U.S. Appl. No. 10/757,620. The pre-grant publication incorrectly published the specification and figures from the '620 application. Applicants respectfully request that this error be corrected when the instant application issues as a patent.

Respectfully submitted,
BANNER & WITCOFF, LTD.
